PAGE 2 OF 2**

Annual collection of the special taxes on the Tax Roll and the property tax bills of parcels within the District allows the Department to maintain the community facilities district in a fiscally-responsible manner. The special taxes pay the debt service on previously issued bonds for necessary infrastructure, in addition to ongoing services for open space/storm/flood and fire protection and the County's administrative costs.

There are currently four improvement areas in the District and each Improvement Area has a Rate and Method of Apportionment which is approved with the initial approval of the special tax which sets the special tax for the parcels within each Improvement Area. The calculation of the annual special tax is provided annually by David Taussig & Associates, Inc. using the approved Rate and Method of Apportionment.
