I. INTRODUCTION

This report presents the findings of the research and financial analysis performed by David Taussig & Associates, Inc. to determine the special tax requirement for Community Facilities District No. 2002-1 (Kaiser Commerce Center) (“CFD No. 2002-1”) of the County of San Bernardino (“the County”) for fiscal year 2017-2018.

CFD No. 2002-1 is a legally constituted governmental entity established under the Mello-Roos Community Facilities Act of 1982, (the "Act") as amended. The Act provides an alternative method for the financing of certain public capital facilities and services. Specifically, CFD No. 2002-1 is authorized to issue up to \$30,000,000 in bonds. CFD No. 2002-1 issued \$23,585,000 in bonds in October 2002 to finance certain road, sewer, storm drain, water, and public utility improvements (the “2002 Bonds”). In December 2014, the 2002 Bonds were refunded by the sale of the \$20,995,000 Series 2014 Special Tax Refunding Bonds (the “2014 Bonds”). The current outstanding principal is equal to \$19,460,000 which is based on principal paid through September 2, 2016. The 2014 Bonds are scheduled to be paid off in year 2033. Pursuant to the Rate and Method of Apportionment (“RMA”), the special tax shall be levied for a period not to exceed fifty years commencing with fiscal year 2002-2003. The RMA is included in Exhibit C.

CFD No. 2002-1 consists of two separate areas: Improvement Area No. 1 (“IA No. 1”) and Improvement Area No. 2 (“IA No. 2”). The 2014 Bonds are secured only by the special taxes from IA No. 1. Therefore, no special tax will be levied in fiscal year 2017-2018 in IA No. 2. A map showing the property in IA No. 1 and IA No. 2 is included in Exhibit A.

The bonded indebtedness of CFD No. 2002-1 is both secured and repaid through the annual levy and collection of special taxes from property subject to the tax within Improvement Area No. 1. In calculating the special tax liability for fiscal year 2017-2018, this report examines the financial obligations of the current fiscal year and analyzes the level of development within IA No. 1.

This report is organized into the following sections:

Section II

Section II provides an update of the development activity occurring within IA No. 1.

Section III

Section III examines the financial activity in the funds and accounts established pursuant to the bond indenture for the 2014 Bonds dated December 1, 2014, between IA No. 1 of CFD No. 2002-1 and the Trustee. A year-to-date summary illustrating all disbursements, special tax receipts and interest earnings of the 2014 Bonds is provided.

Section IV

Section IV analyzes the previous year's special tax levy.

Section V

Section V determines the financial obligations of IA No. 1 for fiscal year 2017-2018.

Section VI

Section VI reviews the methodology used to apportion the special tax requirement between Developed Property and Undeveloped Property in IA No. 1. A table of the 2017-2018 special tax rates for each classification of property is included.

II. SPECIAL TAX CLASSIFICATIONS AND DEVELOPMENT UPDATE

Special Tax Classifications

The methodology employed to calculate and apportion the special tax is contained in a document entitled the Rate and Method of Apportionment for IA No. 1. The Rate and Method of Apportionment defines two primary categories of taxable property within IA No. 1, namely “Developed Property” and “Undeveloped Property.”

Developed Property is distinguished from Undeveloped Property by the issuance of a building permit. Specifically, property for which a building permit was issued after January 1, 2001 and prior to March 1 of the previous fiscal year will be classified as Developed Property in the following fiscal year. For example, all property in CFD No. 2002-1 for which a building permit was issued after January 1, 2001 and prior to March 1, 2017, will be classified as Developed Property in fiscal year 2017-2018.

Development Update

Review of the County of San Bernardino’s building permit records indicated that no new building permits were issued for non-residential property within IA No. 1 and IA No. 2 between March 1, 2016 and February 28, 2017. Prior to March 1, 2017, the County of San Bernardino had issued building permits for 344.99 acres of non-residential property within IA No. 1. During this same period, no building permits were issued within IA No. 2. A total of 82.71 acres in IA No. 1 are considered Undeveloped Property. The table below indicates the current amount of Developed Property and Undeveloped Property within IA No. 1.

III. SOURCES AND USES OF FUNDS

CFD No. 2002-1 Series 2014's sources of funds in the funds held by Trustee from July 1, 2016 through June 30, 2017 totaled \$1,500,933. This consisted of \$1,497,525 in special tax receipts and \$3,408 in investment earnings on cash balances not in investment agreements.

Total uses of funds in the funds held by Trustee for the time period mentioned above totaled \$1,433,003. Interest and principal payments on the 2014 Bonds totaled \$900,400 and \$525,000, respectively. Payments for professional services equaled \$7,603.

A more detailed analysis of all transactions within the Series 2014 funds and accounts for the time period mentioned above is included as Exhibit B.

As of June 30, 2017, the various funds and accounts established for the 2014 Bonds had the following balances:

IV. FISCAL YEAR 2016-2017 SPECIAL TAX LEVY

The total special tax levy for fiscal year 2016-2017 equaled \$1,497,525. As of May 16, 2017, all \$1,497,525 in special taxes due for fiscal year 2016-2017 had been collected by the County.

V. FISCAL YEAR 2017-2018 SPECIAL TAX REQUIREMENT

For fiscal year 2017-2018, the special tax requirement for CFD No. 2002-1 is equal to \$1,522,979 and is calculated as shown in the table below:

VI. METHOD OF APPORTIONMENT

Maximum Special Tax Rates

The amount of special taxes that IA No. 1 may levy is strictly limited by the maximum rates set forth in Section C of the Rate and Method of Apportionment.¹

The fiscal year 2017-2018 maximum special tax rates for each classification of property in IA No. 1 are shown in the table on the following page. Each July 1, commencing July 1, 2003, the maximum special tax rates shall be increased by an amount equal to 2.00% of the amount in effect for the previous fiscal year.

Apportionment of Special Taxes

The special tax that is apportioned to each parcel is determined through the application of Section D of the Rate and Method of Apportionment for IA No. 1. The Board shall first determine the special tax requirement. Section D apportions the special tax requirement in four steps that prioritize the order in which Developed Property and Undeveloped Property are taxed.

The first step states that the special tax shall be levied against each parcel of Developed Property at up to 100.00% of the applicable assigned special tax until the amount of the special taxes equals the special tax requirement. If the special taxes raised pursuant to the first step are less than the special tax requirement, then the second step is applied. The second step states that the special tax shall be levied against each parcel of Undeveloped Property at up to 100.00% of the maximum special tax for Undeveloped Property.

The third and fourth steps are designed to accommodate changes in land use and are intended to be used only as a last resort. Since actual land uses have not substantially deviated from the original projections, this step is not necessary.

Application of the first step generates special tax revenues of \$2,245,439 from Developed Property, which is greater than the total fiscal year 2017-2018 special tax requirement. To raise revenues sufficient to meet the fiscal year 2017-2018 special tax requirement, special taxes will be levied at approximately 87.33% of the assigned/maximum special taxes on Developed Property. There will be no special taxes levied on Undeveloped Property. The fiscal year 2017-2018 special tax rates are shown for each classification of property in the table below and graphically on the following page. The Special Tax Roll, which lists the actual special tax levied against each parcel in IA No. 1, is shown in Exhibit D.

¹ Technically, Section C states that the maximum special tax for a parcel of Developed Property is equal to the greater of (i) the "Backup Special Tax" or (ii) the Assigned Special Tax. The Backup Special Tax was established for the contingency of a shortfall in revenues resulting from significant changes in development densities. The contingency for which the Backup Special Tax was established does not exist and hence, all discussion of maximum tax rates for Developed Property focuses on the Assigned Special Tax.

The Fiscal Year 2002-03 Backup Special Tax shall equal \$4,476 per Acre. On each July 1, commencing July 1, 2003 the Backup Special Tax shall be increased by an amount equal to two percent (2%) of the amount in effect for the previous Fiscal Year.

d. Reduction in Backup Special Tax

The Backup Special Tax applicable to all Assessor's Parcels shall be permanently reduced to zero when the CFD Administrator determines that all of the following have occurred: (i) all authorized Bonds have already been issued or the Board has covenanted that it will not issue any additional Bonds (except refunding bonds); (ii) the balance in the reserve fund established by the Indenture is at or above the reserve requirement (as defined in the Indenture); (iii) IA No. 1 is current in the payment of interest and principal on all Outstanding Bonds; and (iv) the Assigned Special Tax on all Assessor's Parcels of Developed Property, excluding the Assigned Special Taxes for Assessor's Parcels which are currently delinquent in paying their Special Taxes, less the estimated Administrative Expenses for each Fiscal Year, generates 110% of the annual debt service on all Outstanding Bonds in each Fiscal Year.

2. UNDEVELOPED PROPERTY AND OTHER TAXABLE PROPERTY

The Fiscal Year 2002-03 Maximum Special Tax for Undeveloped Property and Other Taxable Property shall be \$4,505 per Acre. On each July 1, commencing July 1,

2003 the Maximum Special Tax shall be increased by an amount equal to two percent (2%) of the amount in effect for the previous Fiscal Year.

D. APPORTIONMENT OF THE ANNUAL SPECIAL TAX

Commencing with Fiscal Year 2002-03 and for each following Fiscal Year, the Board shall determine the Special Tax Requirement and shall levy the Special Tax until the total Special Tax levy equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

First: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property at up to 100% of the Assigned Special Tax;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased Proportionately from the Assigned Special Tax up to the Maximum Special Tax for each such Assessor's Parcel;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax shall be levied in equal percentages on each Assessor's Parcel of Other Taxable Property at up to the Maximum Special Tax for Other Taxable Property.

E. EXEMPTIONS

No Special Tax shall be levied on up to 51.77 Acres of Area VI Property, 61.64 Acres of Public Property and/or Property Owner Association Property. Tax-exempt status will be irrevocably assigned by the CFD Administrator in the chronological order in which property becomes Area VI Property, Public Property or Property Owner Association Property.

Area VI Property, Public Property or Property Owner Association Property that is not exempt from the Special Tax under this section shall be subject to the levy of the Special Tax and shall be taxed as part of the fourth step in Section D above, at up to 100% of the Maximum Special Tax for Other Taxable Property.

F. APPEALS AND INTERPRETATIONS

Any taxpayer may file a written appeal of the Special Tax on his/her property with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or

before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall eliminate or reduce the Special Tax on the appellant's property and/or provide a refund to the appellant. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the Board by filing a written notice of appeal with the clerk of the Board, provided that the appellant is current in his/her payments of Special Taxes. The second appeal must specify the reasons for its disagreement with the CFD Administrator's determination.

G. MANNER OF COLLECTION

The Special Tax will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that IA No. 1 may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

H. PREPAYMENT OF SPECIAL TAX

The following definition applies to this Section H:

"CFD Public Facilities" means either \$18.6 million in 2002 dollars, which shall increase by the Construction Inflation Index on July 1, 2003, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide the public facilities to be provided by IA No. 1 under the authorized bonding program for IA No. 1, or (ii) shall be determined by the Board concurrently with a covenant that it will not issue any more Bonds to be supported by Special Tax levied under this Rate and Method of Apportionment as described in Section D.

"Construction Fund" means an account specifically identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible under the Act.

"Construction Inflation Index" means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

"Future Facilities Costs" means the CFD Public Facilities minus (i) public facility costs previously paid from the Construction Fund, (ii) moneys currently on deposit in the

Construction Fund, and (iii) moneys currently on deposit in an escrow fund that are expected to be available to finance facilities costs.

"Outstanding Bonds" means all Previously Issued Bonds which are deemed to be outstanding under the Indenture after the first interest and/or principal payment date following the current Fiscal Year.

"Previously Issued Bonds" means all Bonds that have been issued by IA No. 1 prior to the date of prepayment.

1. Prepayment in Full

The obligation of an Assessor's Parcel to pay the Special Tax may be prepaid and permanently satisfied as described herein; provided that a prepayment may be made only for Assessor's Parcels of Developed Property or Undeveloped Property for which a building permit has been issued, and only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount of such Assessor's Parcel. The CFD Administrator may charge a reasonable fee for providing this service. Prepayment must be made not less than 45 days prior to the next occurring date that notice of redemption of Bonds from the proceeds of such prepayment may be given to the Trustee pursuant to the Indenture.

The Special Tax Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
<u>less</u>	<u>Capitalized Interest Credit</u>
Total: equals	Prepayment Amount

As of the proposed date of prepayment, the Special Tax Prepayment Amount (defined below) shall be calculated as follows:

Paragraph No.:

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.
2. For Assessor's Parcels of Developed Property, compute the Assigned Special Tax and Backup Special Tax applicable for the Assessor's Parcel to be prepaid. For

Assessor's Parcels of Undeveloped Property (for which a building permit has been issued) to be prepaid, compute the Assigned Special Tax and Backup Special Tax for that Assessor's Parcel as though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor's Parcel.

3. (a) Divide the Assigned Special Tax computed pursuant to paragraph 2 by the total estimated Assigned Special Tax for the entire IA No. 1 based on the Developed Property Special Tax which could be charged in the current Fiscal Year on all expected development through buildout of the IA No. 1, excluding any Assessor's Parcels which have been prepaid, and

(b) Divide the Backup Special Tax computed pursuant to paragraph 2 by the estimated total Backup Special Tax at buildout of the IA No. 1, excluding any Assessor's Parcels which have been prepaid.
4. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "Redemption Premium").
6. Compute the current Future Facilities Costs
7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Amount").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
9. Determine the Special Tax levied on the Assessor's Parcel in the current Fiscal Year which has not yet been paid.
10. Compute the minimum amount the CFD Administrator reasonably expects to derive from the reinvestment of the Special Tax Prepayment Amount less the Future Facilities Amount and the Administrative Fees and Expenses from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.
11. Add the amounts computed pursuant to paragraphs 8 and 9 and subtract the amount computed pursuant to paragraph 10 (the "Defeasance Amount").

12. Verify the administrative fees and expenses of IA No. 1, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "Administrative Fees and Expenses").
13. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "Reserve Fund Credit"). No Reserve Fund Credit shall be granted if reserve funds are below 100% of the reserve requirement.
14. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the "Capitalized Interest Credit").
15. The Special Tax prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 11 and 12, less the amounts computed pursuant to paragraphs 13 and 14 (the "Prepayment Amount").
16. From the Prepayment Amount, the amounts computed pursuant to paragraphs 4, 5, 11, 13 and 14 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to paragraph 7 shall be deposited into the construction fund. The amount computed pursuant to paragraph 12 shall be retained by IA No. 1.

The Special Tax Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined under paragraph 9 (above), the CFD Administrator shall remove the current Fiscal Year's Special Tax levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid, the Board shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Tax and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Assigned Special Tax that may be levied on Taxable Property within IA No. 1

both prior to and after the proposed prepayment, less estimated Administrative Expenses, is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

2. Prepayment in Part

The Special Tax on an Assessor's Parcel of Developed Property or an Assessor's Parcel of Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = P_E \times F.$$

These terms have the following meaning:

PP = the partial prepayment

P_E = the Special Tax Prepayment Amount calculated according to Section H.1

F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax.

The owner of any Assessor's Parcel who desires such prepayment shall notify the CFD Administrator of such owner's intent to partially prepay the Special Tax and the percentage by which the Special Tax shall be prepaid. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax for an Assessor's Parcel within thirty (30) days of the request and may charge a reasonable fee for providing this service. With respect to any Assessor's Parcel that is partially prepaid, the County shall (i) distribute the funds remitted to it according to Section H.1, and (ii) indicate in the records of IA No. 1 that there has been a partial prepayment of the Special Tax and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the remaining Maximum Special Tax, shall continue to be levied on such Assessor's Parcel pursuant to Section D.

I. TERM OF SPECIAL TAX

The Special Tax shall be levied for a period not to exceed fifty years commencing with Fiscal Year 2002-03.
