D. METHOD OF APPORTIONMENT OF ANNUAL SPECIAL TAX

For each Fiscal Year, the Board shall determine the total amount of the Special Tax Requirement to be levied and collected to pay the costs of providing the Services during the Fiscal Year and shall levy the Special Tax as determined by the actual cost of providing services as shown in Exhibit A on all Assessor's Parcels in all Land Use Categories and Maintenance Categories at the rates necessary to fully fund such costs; provided that such rates shall not exceed the Maximum Special Tax Rates for the Fiscal Year. In levying the Special Tax to fund the costs of providing the Services in each Fiscal Year, the Board shall (a) determine the cost of providing the Services and the amount of the Special Tax per Benefit Unit to be levied on Assessor's Parcels in each Maintenance Category to provide such Services; (b) levy the Special Tax on all Assessor's Parcels in each Maintenance Category, as then applicable, based on the Benefit Units assigned to such Assessor's Parcels depending on the Land Use Categories to which they are assigned. The amount of the Special Tax to be levied on any Assessor's Parcel in any Fiscal Year shall be the total of the rates of Special Tax determined pursuant to clauses (a) and (b) above, to the extent that such clauses are applicable to the Assessor's Parcel, based on the Land Use Category and Maintenance Category to which the Assessor's Parcel is assigned and the Services which must be funded from the total amount of the Special Tax per Benefit Unit to be levied on all Assessor's Parcels in the same Maintenance Category to fund the costs of such Services.

E. FUTURE ANNEXATIONS

It is anticipated that additional properties will be annexed to the District from time to time. As each annexation is proposed, an analysis will be prepared to determine the annual cost for providing Services. Based on this analysis, the property to be annexed will be assigned to the appropriate Maintenance Category and the appropriate Assigned Tax rate contained in Table 2.

F. TERM OF SPECIAL TAX

For each Fiscal Year, the Special Tax shall be levied in perpetuity as long as the Services are being provided.

G. EXEMPTIONS

The Board shall classify Exempt Property within the District as; (i) Assessor's Parcels which are owned by, irrevocably offered for dedication, encumbered by or restricted in use by the State of California, Federal or other local governments, including school districts; (ii) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement, (iii) Assessor's Parcels which are privately owned and are encumbered by or restricted solely for public uses, or (iv) other types of public uses determined by the Administrator.

Notwithstanding the foregoing, the classification of Exempt Property shall not reduce the Benefit Units or Acreage to less than the amount shown in Table 4 below.
