Applicant has read Ordinance SD 20-02 to authorize the use and possession of alcoholic beverages under specific conditions. Alcoholic beverages must be consumed inside a building or within the confines of a beer garden provided the proper licenses have been obtained and the event is approved by the CSA 29 District Manager.

It is understood that the applicant assumes full responsibility for the care and use of the district's facilities to include district equipment that may be lost or broken during the event. It is further understood that the applicant will leave the premises in a clean and orderly condition.

Facilities must be used in accordance with Ordinance SD 20-02. These rules and regulations are hereby attached. Please read them carefully.

If electrical equipment has been used during the event, please insure that it has been turned off/disconnected prior to leaving the building.

IN CASE OF EMERGENCY, PLEASE CALL 911

CSA 29, Lucerne Valley Parks and Recreation, and The County of San Bernardino assume no responsibility or liability before, during or after the event for which the facilities have been reserved by the applicant. The applicant agrees to indemnify, defend and hold harmless the County of San Bernardino, County Service Area 29, Lucerne Valley Parks and Recreation, their officers, agents, and employees from any and all claims and losses which may arise from the use of the district property or from any act or omission by the user, its employees, participants or bystanders while utilizing the facility or grounds.
