REQUEST FOR TEMPORARY TURN ON/OFF OF WATER SERVICE

I _____, the representative for the property located at _____, Account Number _____, request the water to be turned on for a period of 48 hours beginning _____, for the purpose of a home inspection and/or appraisal to be done on the property.

I understand and expressly acknowledge that as an express condition to the Department of Public Works, Special Districts Water and Sanitation Division's (Division) agreement to turn on the water despite the current arrearage for water service on the property described above in the amount of \$_____, that said arrearage amount shall become an obligation separate and apart from the property, and that said amount (plus acquired interest and penalties) will be paid in full into the escrow if and when said property is sold, and I agree to notify the prospective buyer, and the brokers for both parties, if any, that this arrearage amount must be paid through escrow.

I further expressly acknowledge and agree to hold County Service Area 42, County Service Area 64, County Service Area 70, the Division, the San Bernardino County, and each of its officers, employees, independent contractors, free and harmless from any and all damage or personal injury, death, or any other loss that may occur as a result of the temporary resumption of water service, irrespective of who caused the damage, and I agree to defend any lawsuits that may be filed against any of them with counsel selected by the Division.

I also agree to the fee of \$120 payable to the Division to cover the costs associated with this request, and expressly acknowledge that said fee is separate and apart from my personal obligation to pay the amount of the arrearage set forth above.
