### NOTICE OF PUBLIC HEARING

#### Proposed Increase of Sewer Rates For County Service Area 42 (Oro Grande)

Dear Property Owner:

Notice is hereby given that pursuant to State law (Proposition 218), San Bernardino County, County Service Area 42 Oro Grande (CSA 42) Board of Supervisors (Board) will conduct a public hearing on March 28, 2023, at 10:00 a.m. in the Covington Chambers, First Floor, 385 North Arrowhead Avenue, San Bernardino, California, as part of its regularly scheduled meeting, to consider proposed increases to rates charged for sewer services. The Board will hold a public hearing pursuant to Article XIID of the California Constitution and will mail (or cause to be mailed) this notice at least 45 days prior to the public hearing. If adopted, the proposed rate changes will become effective on July 1, 2023. This notice is sent to all owners of property upon which rates are proposed within CSA 42.

While CSA 42 continually strives for cost efficiency and the maximization of assets, it also needs to keep pace with inflation, labor, material, and other operational cost increases including compliance with State imposed regulations. All revenue generated from customer sewer bills is used to pay for the regulatory changes, ongoing operation, maintenance, repair and replacement of the existing sewer system. The last rate increase was applied to CSA 42 in fiscal year 2013/2014. By State law, CSA 42 may not collect more revenue than is necessary to recover the costs of providing services. The proposed rate increase of 3.5% aligns with California CPI to offset rising costs. If approved, the adjusted rates would commence July 1, 2023, and adjust annually thereafter on July 1 of the following year.

The CSA 42 sewer charge is based on a fixed monthly sewer charge based on equivalent dwelling units (EDUs) regardless of the type of customer. The fee for multi-family residential and non-residential customers will be dependent on the number of EDUs associated with the property. The following table shows the proposed sewer rates over the next three years.

Description	Current Charge	Proposed FY 23/24	Proposed FY 24/25	Proposed FY 25/26
<b>Flat Charge</b>	<b>(\$/EDU per Month)</b>	<b>(\$/EDU per Month)</b>	<b>(\$/EDU per Month)</b>	<b>(\$/EDU per Month)</b>
All Customers	\$79.44	\$82.22	\$85.10	\$88.08
