## I. Introduction

This report presents the findings of the research and financial analysis performed by David Taussig & Associates, Inc. to determine the special tax requirement for Improvement Area No. 1 ("IA No. 1") of Community Facilities District No. 2006-1 (Lytle Creek North) ("CFD No. 2006-1") of the County of San Bernardino ("the County") for fiscal year 2014-2015.

CFD No. 2006-1 is a legally constituted governmental entity established under the Mello-Roos Community Facilities Act of 1982, (the "Act") as amended. The Act provides an alternative method for the financing of certain public facilities and services. Specifically, IA No. 1 of CFD No. 2006-1 is authorized to issue up to \$28,000,000 in bonds. IA No. 1 issued \$7,130,000 in bonds in November 2010 (the "2010 Bonds") and \$2,345,000 in bonds in November 2013 (the "2013 Bonds") to finance certain street, water, sewer, storm drain, flood control, and park and recreational improvements. Additional bonds are expected to be issued as development proceeds within IA No. 1. A map showing the property in IA No. 1 is included in Exhibit A.

In calculating the special tax liability for fiscal year 2014-2015, this report examines the financial obligations of the current fiscal year and analyzes the level of development within IA No. 1.

This report is organized into the following sections:

### Section II

Section II provides an update of the development activity occurring within IA No. 1.

### Section III

Section III examines the financial activity in the funds and accounts established pursuant to the bond indentures for the Series 2010 Bonds dated November 1, 2010, and for the Series 2013 Bonds dated November 1, 2013, between IA No. 1 of CFD No. 2006-1 and the trustee. A year-to-date summary illustrating all disbursements, special tax receipts and interest earnings of the Bonds is provided.

### Section IV

Section IV analyzes the previous year's special tax levy.

### Section V

Section V determines the financial obligations of IA No. 1 for fiscal year 2014-2015.

### Section VI

Section VI reviews the methodology used to apportion the special tax requirement to Developed Property and Undeveloped Property. A table of the 2014-2015 special tax rates for Developed Property and Undeveloped Property is included.

## II. Special Tax Classifications and Development Update

### **Special Tax Classifications**

The methodology employed to calculate and apportion the special tax is contained in a document entitled the Rate and Method of Apportionment. The Rate and Method of Apportionment defines two primary categories of property, namely "Developed Property" and "Undeveloped Property". For both Zone A and Zone B of IA No. 1, the category of Developed Property is in turn divided into five separate special tax classifications which vary with dwelling unit size for residential development and acreage for non-residential development.

Developed Property is distinguished from Undeveloped Property by the issuance of a building permit. Specifically, property for which a building permit was issued between January 2, 2006 and March 1 of the prior Fiscal Year will be classified as Developed Property in the following fiscal year. For example, all property in IA No. 1 for which a building permit was issued between January 2, 2006 and March 1, 2014, will be classified as Developed Property in fiscal year 2014-2015.

### **Development Update**

Review of the County of San Bernardino's building permit records indicate that between January 2, 2006 and March 1, 2014 building permits for 290 units of residential property in Zone A and 134 units of residential property in Zone B had been issued within IA No. 1. A total of 20.93 acres in IA No. 1 are considered Undeveloped Property. In addition, four tract maps had been recorded as of January 1, 2014, and there is no unmapped property in IA No. 1. The tables below indicate tract maps recorded as of January 1, 2014 and the current amount of Developed Property and Undeveloped Property within IA No. 1.

## III. Sources and Uses of Funds

IA No. 1 Series 2010 and Series 2013's sources of funds in the funds held by Trustee from April 1, 2013 through April 30, 2014 totaled \$3,273,339. This consisted of \$2,280,322 in Series 2013 bond proceeds, \$992,049 in special tax receipts, and \$967 in investment earnings.

Total uses of funds in the funds held by Trustee for the time period mentioned above totaled \$1,556,006. Interest and principal payments on the bonds equaled \$386,626 and \$130,000, respectively. Payments for acquisition and/or construction of school facilities equaled \$870,353. Payments for professional services including costs of issuance on the 2013 Bonds equaled \$169,026.

A more detailed analysis of all transactions within the Series 2010 and Series 2013 funds and accounts for the time period mentioned above is included as Exhibit B.

As of April 30, 2014, the various funds and accounts established for the Series 2010 and Series 2013 Bonds had the following balances:

| Special Tax Fund  | \$633,025     |  |

## IV. Fiscal Year 2013-2014 Special Tax Levy

The total special tax levy for fiscal year 2013-2014 equaled \$671,121. As of May 8, 2014, \$669,528 in special taxes due for fiscal year 2013-2014 had been collected by the County, resulting in a delinquency rate of approximately 0.24%. Of the 397 parcels that were subject to the special tax, one failed to pay some or all of his/her fiscal year 2013-2014 special taxes in a timely manner.

## V. Fiscal Year 2014-2015 Special Tax Requirement

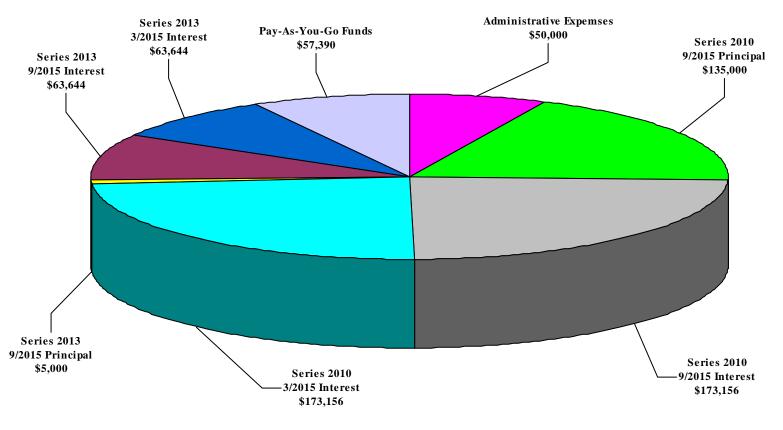

The Assigned Special Tax can be levied on Developed Property to pay for debt service on the Bonds, the direct construction or acquisition of facilities eligible to be financed by IA No. 1, and annual administrative expenses as provided for by the RMA for IA No. 1. At the time of the issuance of the 2010 Bonds and 2013 Bonds, the County determined that it would levy special taxes on Developed Property at 53.03% of the Assigned Special Tax so long as that amount generates sufficient revenues to pay for debt service and administrative expenses. Any additional special tax revenues will be used to pay directly for facilities. For fiscal year 2014-2015, the special tax requirement for IA No. 1 is equal to \$720,990 and is calculated as follows:

## VI. Method of Apportionment

### **Maximum Special Tax Rates**

The amount of special taxes that IA No. 1 may levy is strictly limited by the maximum rates set forth in Section C of the Rate and Method of Apportionment.<sup>1</sup>

The fiscal year 2014-2015 maximum special tax rates for Developed property are shown in the tables on the following page. The maximum special tax rates do not escalate.

### **Apportionment of Special Taxes**

The special tax that is apportioned to each parcel is determined through the application of Section D of the Rate and Method of Apportionment. The Board of Supervisors shall first determine the Special Tax Requirement. Section D apportions the special tax requirement in four steps that prioritize the order in which Developed Property and Undeveloped Property are taxed.

The first step states that the special tax shall be levied against each parcel of Developed Property at up to 100% of the applicable Assigned Special Tax until the amount of the Special Taxes equals the Special Tax Requirement. If the special taxes raised pursuant to the first step are less than the special tax requirement, then the second step is applied. The second step states that the special tax shall be levied against each parcel of Undeveloped Property at up to 100 percent of the maximum special tax for Undeveloped Property.

The third and fourth steps are designed to accommodate changes in land use and are intended to be used only as a last resort. Since actual land uses have not substantially deviated from the original projections, these steps are not necessary.

Application of the first step generates special tax revenues of \$1,359,591 from Developed Property which is more than sufficient to meet all of the obligations for IA No. 1 as outlined in Section IV. As stated earlier, the County has decided to limit the fiscal year 2014-2015 special tax levy to 53.03% of the Assigned Special Tax which generates an amount equal to the fiscal year 2014-2015 Special Tax Requirement of \$720,990.

The fiscal year 2014-2015 maximum and actual special tax rates are shown for Developed Property in the following table. The Special Tax Roll, which lists the actual special tax levied against each parcel, is shown in Exhibit C.

<sup>1</sup> 

Technically, Section C states that the maximum special tax for a parcel of Developed Property is equal to the greater of (i) the "Backup Special Tax" or (ii) the Assigned Special Tax. The Backup Special Tax was established for the contingency of a shortfall in revenues resulting from significant changes in development densities. The contingency for which the Backup Special Tax was established does not exist and hence, all discussion of maximum tax rates for Developed Property focuses on the Assigned Special Tax.
