

Dos & Don'ts of

DROUGHT

Dos

- ◇ Only run clothes and dish washers when full.
- ◇ Look for leaks. Do upgrade to water efficient items.
- ◇ Cutback on outdoor irrigation by watering the mandated two days per week.
- ◇ Keep learning of new ways you can save water.
- ◇ Keep looking for more tips.

Don'ts

- ◇ Leave water running while brushing your teeth.
- ◇ Overwater your outdoor landscape.
- ◇ Take long showers.
- ◇ Use the toilet as a wastebasket.
- ◇ Keep conservation tips to yourself; share them on our Facebook page.
