

METER CALIBRATION REQUEST

I _____, agree to pay a meter calibration charge of \$197.00 to the San Bernardino County Public Works, Special Districts Water and Sanitation for my property located at _____

_____.

If the calibration test determines that the meter is operating outside of the American Water Works Association's (AWWA) standard of (+/-) 1.5% of 100%, the charge of \$197.00 will be credited to the property's water billing account. All calibrated meters will be put back into service and does not guarantee a new meter will be installed at the above-mentioned property.
